Sir:

DECLARATION TO ACCOMPANY OFFICIAL COMMUNICATION

I, Thomas E. Lees declare and state upon personal knowledge:

1. I am of at least 18 years of age.
2. I caused to be transmitted a one page facsimile cover sheet (Attachment A), and a 17 page Response to Election Requirement and Fourth Preliminary Amendment (Attachment B) via facsimile transmission on May 22, 2002. The Response to Election Requirement and Fourth Preliminary Amendment shows a proper Certificate of Facsimile Transmission dated May 22, 2002, signed by a registered practitioner.
3. The facsimile machine which transmitted the Response to Election Requirement and Fourth Preliminary Amendment assigned the transmission an identifying reference number of 8865, which was recorded on the Facsimile transmission cover page.
4. Subsequent to transmission of the Response to Election Requirement and Fourth Preliminary Amendment, an Activity Report (Attachment C) was printed out.

The Activity Report has been partially redacted to remove all unnecessary transaction listings to assist in identifying pertinent transactions. According to the activity report, transmission 8865 began on May 22, 2002 at 13:51, or 1:51 p.m. Eighteen pages printed successfully, as indicated by the OK under the result column.

5. Based upon the above identified facts and accompanying support documentation, I believe that the Response to Election Requirement and Fourth Preliminary Amendment was properly transmitted to the Patent and Trademark Office on the date indicated on the Certificate of Facsimile Transmission.
